

## Chapter 9

# Linear Functions

### Essential Question

How are linear functions used to model proportional relationships?

Lesson 9-1

## Functions

Lesson 9-2

## Representing Linear Functions

Lesson 9-3

## Constant Rate of Change and Slope

Lesson 9-4

## Direct Variation

Lesson 9-5

## Slope-Intercept Form

Lesson 9-6

## Solve Systems of Equations by Graphing

Lesson 9-7

## Solve Systems of Equations Algebraically
